First of all, buy Call of Duty:

WWII from PSN as soon as possible. There is no reason at all for you to pass it over. It is a fascinating expansion to the already fantastic base game and has everything you need to play it. Our favourite DLC, Blackout, released last week on PS4.

Blackout launches later this year on Xbox and PC too. With this DLC I'll be taking a look at the PC version, as well as my rather quick time with the consoles. So, let's dive straight in. Activision
